1. Why did you decide to come study in Japan and choose Chukyo University?

I decided to study in Japan and at Chukyo University because of my major is Japanese . Growing up, I was fascinated by Japan's rich traditions. Chukyo University stood out to me because of its strong academic programs and its location, which offers a unique blend of modernity and tradition. Additionally, I was drawn to the university's international student support and the opportunities for cultural immersion and academic growth it provides.

2. How do you think you have matured through your studies at Chukyo? Please share your experiences, events, or feelings while studying at Chukyo University.

Academically, I have gained a deeper understanding of my field of study through engaging coursework and collaborative projects. Personally, I have become more independent and confident, adapting to a new environment and overcoming language barriers. Participating in university events and joining clubs have allowed me to build lasting friendships and learn more about Japanese culture. One memorable experience was attending a Halloween party, which allowed me to connect with fellow students in a fun and festive atmosphere, highlighting the unique blend of Japanese and Western traditions.

3. How do you hope to make use of this experience in the future?

Personally, this experience has broadened my perspective and deepened my appreciation for cultural diversity, which I will carry forward in all aspects of my life.

4. Finally, please give a message to juniors who are considering studying at Chukyo University in the future.

To students considering studying at Chukyo University, I highly encourage you to take the leap. The university offers a supportive environment where you can grow academically and personally. Embrace the opportunities to immerse yourself in Japanese culture and make the most of your time here. Be open to new experiences, and don't be afraid to step out of your comfort zone. The friendships and memories you make will be invaluable and will stay with you long after you leave.
