1. Why did you decide to come study in Japan and choose Chukyo University?

I decided to study here because my frequent travels to Japan sparked a deep interest in the country. Additionally, I wanted to step out of my comfort zone and experience living abroad to broaden my horizons.

2. How do you think you have matured through your studies at Chukyo? Please share your experiences, events, or feelings while studying at Chukyo University.

During my exchange at Chukyo, I've seen a lot of growth in myself. My language skills have improved, and I've made so many international friends.

What made it even better was participating in various on-campus and off-campus activities. Sharing these experiences with friends from different countries was amazing, and it gave me a much deeper and more meaningful understanding of Japan than I ever had as a tourist. It has been an incredibly rewarding journey.

3. How do you hope to make use of this experience in the future?

My time at Chukyo has completely solidified my dream of studying and pursuing a career abroad in the future. Once I return home, I plan to dedicate more time and effort to enhancing my language proficiency. This exchange journey was just the first step toward my global future.

4. Finally, please give a message to juniors who are considering studying at Chukyo University in the future.

I highly recommend studying exchange at Chukyo University! The professors and staff here are incredibly friendly and supportive. Plus, the activities at VOICE are so much fun! It's the perfect place to make new friends and truly immerse yourself in Japanese culture. You're going to love it here!

1. Why did you decide to come study in Japan and choose Chukyo University?

Since my major is Japanese, I wanted to study in Japan before graduation, even if only for a short time.

2. How do you think you have matured through your studies at Chukyo? Please share your experiences, events, or feelings while studying at Chukyo University.

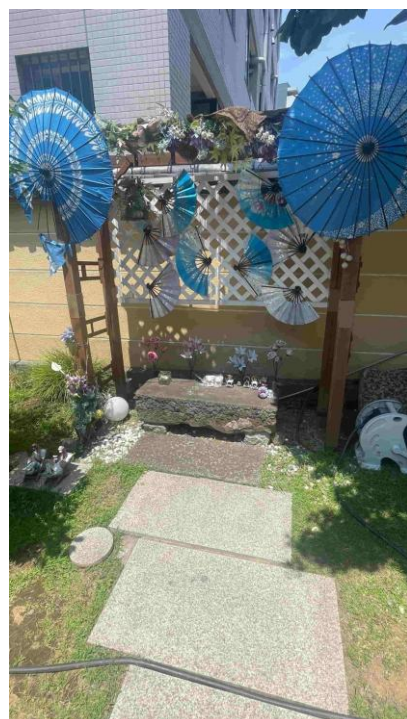

During my study abroad, I took many courses designed for Japanese students. Although the content was very challenging for me, I was able to learn things that are not taught in my home country, which made the experience very fulfilling.

3. How do you hope to make use of this experience in the future?

When applying for Japan-related jobs, having studied in Japan could be a valuable advantage during interviews.

4. Finally, please give a message to juniors who are considering studying at Chukyo University in the future.

If you want to improve your Japanese skills, there are many activities and courses here that allow you to interact with Japanese students. And if you're interested in meeting people from other countries, there are also many international students from all over the world to connect with.

1. Why did you decide to come study in Japan and choose Chukyo University?

I am currently studying Japanese in my undergraduate program and want to study abroad to improve my language skills. The university is located in Nagoya, which is one of Japan's key hubs. The campus is beautiful and conveniently close to the subway station.

2. How do you think you have matured through your studies at Chukyo? Please share your experiences, events, or feelings while studying at Chukyo University.

In addition to interacting with native Japanese speakers, I also have the opportunity to communicate with people from different language backgrounds and go out for fun. It's a truly rare and valuable experience.

3. How do you hope to make use of this experience in the future?

When looking for a job, I would like to choose a position related to the Japanese language.

4. Finally, please give a message to juniors who are considering studying at Chukyo University in the future.

If you're a beginner in Japanese, there's no need to worry, as the Japanese courses are divided according to your proficiency level. You also don't have to worry about not making friends! The school often organizes many events that you can participate in.
