1. Why did you decide to come study in Japan and choose Chukyo University?

Traveling to Japan has been my dream since childhood, inspired by anime showcasing its magical nature and serene shrines. I envision hiking through beautiful landscapes and enjoying the peaceful scenery. While researching how to make this dream a reality in college, I found Chukyo University, which offered classes matching my major and a vibrant student life.

2. How do you think you have matured through your studies at Chukyo? Please share your experiences, events, or feelings while studying at Chukyo University.

I've grown significantly through navigating a new country and culture on my own, becoming more independent and appreciative of its nuances. Chukyo has challenged my critical thinking and expanded my horizons through engaging academic discussions and diverse perspectives. Connecting with people from around the world has reshaped my views on education and everyday life.

3. How do you hope to make use of this experience in the future?

My time at Chukyo University has broadened my worldview. I've gained valuable language skills and cultural understanding, which I will continue to build upon. This experience has increased my confidence and adaptability, key traits I will emphasize in future interviews. Chukyo has sparked my curiosity and global awareness, which I will carry into all aspects of my life.

4. Finally, please give a message to juniors who are considering studying at Chukyo University in the future.

If you're considering Chukyo University, go for it! You'll find a welcoming community and supportive staff who feel like family. Professors encourage global thinking while you immerse yourself in Japanese culture through festivals, cafés, and stunning seasons. You'll gain resilience, confidence, and lasting friendships. Embrace the adventure, let Chukyo change you, and you won't regret it!
