Goucher College (ISEP)

1. Why did you decide to come study in Japan and choose Chukyo University?

I've always wanted to come to Japan and Chukyo University allowed me to still take the classes I needed for my major.

2. How do you think you have matured through your studies at Chukyo? Please share your experiences, events, or feelings while studying at Chukyo University.

I've grown into a more independent woman and I've really gotten immersed in this experience. Being here has been a huge leap of faith as I wasn't sure how I would handle being in another country by myself. I'm glad I got to experience going to school in Japan.

3. How do you hope to make use of this experience in the future?

I will use this experience to encourage myself to take more risks in the future.

4. Finally, please give a message to juniors who are considering studying at Chukyo University in the future.

Chukyo University is a great college to have your study abroad experience. They offer a lot of support and Nagoya is a beautiful city to experience.
