1. Why did you decide to come study in Japan and choose Chukyo University?

I chose to study in Japan at Chukyo University because I found the culture, people, and language fun and exciting to learn about. Studying here allowed me to experience Japanese life while developing my language skills and meeting new people.

2. How do you think you have matured through your studies at Chukyo? Please share your experiences, events, or feelings while studying at Chukyo University.

My time at Chukyo helped me step out of my comfort zone by adapting to a new culture and language, making me more confident and independent.

3. How do you hope to make use of this experience in the future?

I plan to take what I learnt from this experience with me and continue building on it in my future studies and personal growth.

4. Finally, please give a message to juniors who are considering studying at Chukyo University in the future.

Chukyo University is a nice university with many opportunities if you choose to utilize them. Just remember that the fun and experiences won't come by themselves though, you will have to take initiative and put yourself out there yourself.
